SALE TIMES FOR TUESDAY, SEPTEMBER 22ND

@ 9:00 AM FED CATTLE, FOLLOWED BY WEIGH COWS & BULLS, FEEDER CATTLE @ 12:30 PM THEN BRED COWS/PAIRS/BREEDING BULLS.

Our first precondition auction of the season is Friday, October 30th. Please note calves need to be weaned by Sept 30th to quality for that auction. We had a great day Sunday in Arcadia, Iowa for the Collin Garrels family hosting an extremely large firearm's auction. A great buying crowd with tremendous internet activity. We will be in Logan, Iowa this Saturday for the Coffelt family featuring several nice guns. I've made it known for some time now about my disdain for mandatory country of origin labeling for beef being repealed. U.S. beef imports in July were 40.7% higher than 1 year ago. This product comes into the U.S. and is then repackaged & a "Made In the USA" label can be legally stamped on it. Folks the United States cow/calf producer is being taken to the wood shed. We have to stand up & fight. Demand from your political leaders to re-enact M-COOL.

FED CATTLE/WEIGH COWS TUESDAY, SEPTEMBER 8TH:

We had a lighter run with the Labor Day holiday. Fed cattle were \$1 lower & weigh cows/bulls were basically steady. Hopefully we've found a bottom on these fed cattle.
