JBS reported 3rd quarter earnings that were 778% higher than 1 year ago. Choice cutouts are \$225 making a choice 1500# steer worth over \$140 live today at the plant. That's getting close to the \$500 positive margin. This is not sustainable.

FED CATTLE/WEIGH COWS TUESDAY, NOVEMBER 10TH:

We had a nice run of market stock. Fed cattle would be \$1-2 higher. Weigh cows were basically steady. The western weigh cow runs are in full force & in the short term that market probably goes nowhere.

FEEDER CATTLE AUCTION: FRI, NOV 13TH:

Our 2nd precondition auction of the season saw a stronger market pushed along by a better fed cattle trade. We sold right at 1000 head and here are a few actual sales.
