Don't forget our Western Iowa Preconditioned Calf/Yrly Cattle Auction Friday, Feb 19th @ 10:30am **Expecting 2000 head**

The Schaben family would like to express our sincere gratitude for all the calls, texts, cards, & correspondence this past week with our Mother Ruth's passing. Mom as 93 1/2 and honestly 93 1/4 of those years couldn't have been any better. She ran our hydraulic gates for 25 years & we will miss the opportunity to work alongside her. Mom was laid to rest Friday afternoon, Feb 12th right after our precondition sale. We felt it was only fitting for a lady that spent over 70 years in the auction industry. We've lost a mom, grandmother, friend & valued business partner. We have gained an angel overlooking us and a shining example of a life well lived. Rest in peace sweetheart!!

FED CATTLE/WEIGH COWS TUESDAY, FEB 9TH:

Dusticator Mineral Feeder & Livestock Duster

Unique concept in lice and fly control for beef or dairy cattle. Especially good for pinkeye control. Full circle dust bag releases dust every time cattle eat mineral. Special rack will hold up to 4 mineral or salt blocks or loose mineral can be placed in rubber tub. Heavy pipe legs extend out 4" from center. Galvanized top cover protects dust and mineral from rain. This unit is constructed to withstand many years of use.
