SALE TIMES FOR TUESDAY, MAY 4TH
@ 9:00 AM FED CATTLE, FOLLOWED BY WEIGH COWS & BULLS, FEEDER CATTLE @ 12:30 PM
SPECIAL BRED COWS/PAIRS/BREEDING BULLS WED, MAY 5TH @ 11AM

We had a fantastic crowd Sunday at the Garrels Estate Auction in Lake View. Hundreds of Livestock producers bidding on the great line up of items. Today's livestock operators have seen little prosperity in the last decade minus around the year 2014. Packer story is different especially since the Holcomb plant fire & Covid. Today packers extract \$750/head equity out of our industry on every one processed. Rough math equates to about \$75 million a day just on the fed cattle. Packers use those profits like last week when JBS acquired Vivera a European plant-based company who is trying to drive livestock producers out of business. This doesn't add up well for the livestock producers. We have to fight for our livelihood. Grassley's 50/14 bill, Mandatory Country of Origin labeling. Those are our things we need to fight for!!

FED CATTLE/WEIGH COWS TUESDAY, APRIL 20TH:
Fed cattle were fully steady as were the weigh cows. When packers are bidding \$80 less than the cutouts don't we feel properly taken care of?

BRED FEMALE, PAIRS & BREEDING BULL AUCTION, WED, APRIL 21ST:
We kicked off our cow auction Wednesday with the Keller Windchime Angus Bulls & Females. One of the tip groups of Angus bulls we've ever sold. Demand remained strong on all the cows. Top Young pairs up to \$2500. Most pairs \$1800-\$2000. Our next cow special is on Wed, May 5th.

FEEDER CATTLE AUCTION, FRIDAY APRIL 23RD:
Friday's calf/yrld auction delivered one of our largest April feeder auctions ever, with over 4200 head. Despite an on slaught from the corn market Friday's market was extremely active. Here are some actual sales.
