AUCTIONEER'S NOTE: This is a complete liquidation of the former DLR Machine Shop in Lockridge, Iowa – Scott Calhoun, new owner. Scott has different plans for the building and will therefore be offering machine shop equipment & tooling at online auction. Major equipment is both single phase and 3-phase, check out the online bidding catalog for complete details & many photos of each item. This is an extremely abbreviated list and auction much larger than it appears. A 15% Buyers Premium will be added to the final bid of each item. Everything sells "As Is, Where Is" without guarantees or warranties. All sales are final.
